## Try advertising in . . .

Your display advertising purchase is helping to support the continuation of Leslie community news. You can feel confident with your choice to advertise in your own community's newspaper, as the quality coverage will be based solely on the Leslie area. Not only are you promoting your business, you are backing your own community visibly. This publication will strive to tie the citizens of Leslie together through family-valued news coverage. Without your patronage, this would not be possible.
