## Picture Puzzler

**GONE FISHIN'** - Who is this local man pictured after a successful fishing trip almost 40 years ago?

This week's Picture Puzzler features a man who lives locally with his family. When he's not busy volunteering his time with the schools or community projects, you can find him in the woods or on a lake!

Those who think they can identify the person pictured in this week's Picture Puzzler are encouraged to E-mail us at Jennifer@theleslieweeklyguardian.com with their first and last name.

The contest deadline is Friday at 5 p.m. The correct guessers will have their names put in a random drawing for a prize. This week the prize is a FREE homemade dessert item of your choice at The Leslie Depot Diner!

This weeks winner is Brian Bardon!. He was one of 12 people to correctly identify Sean Seavolt as last week's Picture Puzzler. The other correct guessers were: Missi Latter, Christopher Coltrain III, Austin Seavolt, Brenda McDowell, Gay Mullen, Kim Carmer, Barbara Schultz, Cindy Mick, Lori Orrin, Alison Cargill and Charlotte Krajniak.
